ADIEESH V K

VFX & VIDEO EDITING ENTHUSIAST

7812828248 | vadieeshk@gmail.com | Showreel

12th Grade, DAV Boys Senior Secondary School, Gopalapuram

SUMMARY

Creative and detail-oriented video editor and VFX artist with a strong passion for visual storytelling. Experienced in video editing, motion graphics, 3D design, and graphic creation. Proven ability to manage technical teams, coordinate projects, and deliver high-quality content. Adept at using industry-standard tools to enhance visual appeal and maintain brand consistency. Seeking opportunities to apply my skills in a dynamic and innovative environment.

PROFESSIONAL EXPERIENCE

Head of Technical Team – School Cultural Events
- Led the technical team for various school events, overseeing video production and editing.
- Managed coordination between photography, music, and editing teams.

Main Editor & Graphic Designer – School Events
- Designed invitations, posters, and promotional materials for all major school events.
- Edited event highlight videos and ensured high-quality content delivery.

Vice Captain – Bharathi House
- Assisted in organizing inter-house events, ensuring smooth execution.
- Coordinated with students and faculty for event planning and management.

Short Film & VFX Projects
- Developed a humorous short film script and worked on editing and post-production.
- Created VFX sequences using Blender and Cinema 4D for school projects.

Freelance Video Editor – Reaper Gaming & Tamil Gaming
- Edited gameplay videos and highlight reels for online gaming content.
- Enhanced video quality with motion graphics and effects using After Effects and Premiere Pro.

PROJECTS

India Innovation Challenge (2024, The University of Sydney)
- Worked as an Editor & Scriptwriter for the project.
- Contributed to storytelling, video structure, and post-production editing.
- Helped effectively champion the cause of SDG-4 - Quality Education through media.
